One of the requirements is the Certificate of Ranking indicating the ranking of the student over the total number of graduates.

In line with this, may we ask you to fill up some details below:

May we further ask that this be given back to the student in an envelope, sealed and countersigned on the flap?

We appreciate your time in filling up this form and hope that the applicant will be one of our Valedictorian or Academic scholars next Academic Year.

Thank you.

Respectfully yours,
